teach. travel. explore.

WELCOME TO GERMANY

Whether you're drawn to Germany to brush-up on your rusty high school German or support a culture that embraces adventure and celebrating the outdoors, signing up for a teaching program in Germany can be an immensely rewarding experience. Here, you can shape young minds through recreational and activity-based learning.

The best part? The English teaching market is booming in Germany. Your skills are populär (AKA in demand) — and we're here to connect you with your perfect ESL teaching gig here. It's high-time for scenic landscapes, sunshine, and subject-verb-sentence structures. Let's go!

The best way to get to know these incredible locals?

There as an ESL teacher with The TEFL Institute of Ireland: the Germany teach abroad experts

PLACEMENTS & LOCATIONS

Summer in Germany is set to be special, mein freund — you've got a full orientation week to high the ground running. Our paid ESL internship in Germany will give you the framework for success, but it is up to you to craft an experience you love. That means proactively making friends, saving your geld for onward romps around Europe (Germany is highly connected, you know!).

LOCATIONS:

You will be placed in one of four camps throughout Germany: Walsrode (Lüneburger Heide), Regen, Amrum, Hachen or Mölln that form the backdrop of your epic life abroad. Each location is surrounded by towns chockful of culture, architecture, craft beer, and bowls of currywurst.

SCHOOL PLACEMENTS:

All placements are in adventure summer camps. Interns can expect to teach children between the ages of six and 16 in conversational English. Camp activities include language workshops, games, and traditional sports.

THE INTERNSHIP:

Your work week typically runs week- long, with 15 hours of classroom time. This allows up to 35 hours of extra curricular activities per week and some time for lesson planning too.

PERKS:

In addition to a perfect summer in Germany, you'll complete the 120 hour Advanced TEFL Certificate. This internationally recognized course has been created to provide you with real, comprehensive knowledge of everything you need to become a confident, influential TEFL teacher — in Germany and beyond!

Working abroad in Germany is a once-in-a-lifetime experience, but we have a hunch you'll come back again and again. Life here is just too good!

ORIENTATION & TRAINING

Beyond delightful icebreakers, orientation is your chance to get the real inside scoop on camp living and teaching in Germany from local experts! Not only will we pig out at a welcome dinner (BBQ, BABY!), we'll have a full briefing on camp logistics, uncover the do's and don'ts of the German culture and nail down house rules. Get to know your fellow teachers, daydream European trips to take together, and start your experience in Germany with a full heart, mind, and... of course, tummy.

Camp Accommodations

Real talk. Meals, laundry, internet, and transport to and from the excursions or other camp locations are all covered, leaving you free to spend your allowance as you please! This one-of-a-kind paid internship gives you much more than a chance to see Germany and become a competent TEFL teacher. You'll gain a real understanding of the German culture (and beyond... as you meet over 50 nationalities!), and way of life, and develop invaluable intercultural and communication skills you can take with you anywhere in life.

VERIFIED TEFL INSTITUTE TESTIMONIALS

"The camp has completely changed my life. If you've never worked with an international team like me, you're going to experience culture shock after culture shock that will open your eyes to a whole new way of living. You'll meet so many new and interesting people, improve your language skills, get to be outside every day in the sun and face new and exciting challenges.
