## Italy Paid Internship Terms and Conditions with The TEFL Institute Ltd

### General Internship Policy

If you have paid for your internship program with an installment plan please refer to The TEFL Institute Ltd's installment payment terms and conditions.

It shall be your own responsibility to ensure that any products, services or information available on or through this website meet our particular requirements. Should you enrol on an internship and you do not meet the requirements you will not be issued a full refund as this is your own responsibility before booking.

We recommend having your application form sent into us for review within 3 working days of your booking, the maximum timeframe for submitting the application is 10 working days. A late application fee after 10 working days is subject to the initial cost of the program. You are entitled to a full refund minus a €50 administration fee within 14-days of payment. If you have enrolled onto the TEFL course as included in internship packages, this cost is subject to the course terms and conditions.

Once your application has been submitted by you and sent by our recruitment team to our in-country partners, you are not entitled to a refund. This is true even within the 14-day period. This does not affect your consumer rights as use of services has now taken place. Once the applicant has passed the application submission process and has been invited for an interview with our in-country partners this will be considered a "withdrawal refund" should they not want to continue.

\*If your application for the internship is submitted but gets rejected by the internship provider, you are entitled to our "rejection refund", outlined in our terms and conditions. You will receive a full refund minus 50% of the full price of the TEFL training courses included in your package. You will retain full access to this course. This also depends on what grounds you were rejected for.

In the event of an "unforeseen circumstance", refund requests will be managed on a case-by-case basis. Please note The TEFL Institute Ltd's is under no obligation to refund. Deferrals to the next start date or an alternative placement will be subject to a €150 deferral fee.

If you are outside of the 14 day money back guarantee, you have not yet sent through your application or had no interview with our partners and you do not wish to go ahead with your internship to a later start date then you are not entitled to a refund. In some cases, a free deferral can be given.

**Note:** From August 1st 2019, the above policies do not apply to The TEFL Institute Ltd's Vietnam internship program. The refund and cancellations policy for this program is as follows: if an applicant has submitted his/her application form within the 14-day cooling off period or in the case that an applicant has been declined from the internship program an application fee of \$300 USD / \$300 CAD / £300 GBP / €300 EUR / \$300 AUD / \$300 NZD applies. Standard cancellation policy applies for this program, whereby no financial refund is available if an applicant withdraws outside of the 14-day cooling off period or after acceptance to the program.

As of the 12th June 2021, the above conditions apply to all our Internship placements in Asia.

The TEFL Institute Ltd cannot be held liable for any additional costs outside of the internship package. This includes flights, visas and documentation.
