## TEFL for Transition Year Students

Give your students the incredible opportunity to become a fully-qualified TEFL teacher – a lifelong certification that allows them to see the world and get paid. TEFL is a valuable qualification, offering TY students a gateway to:

- An exciting way to gain work experience.
- Learning new skills and experiencing different cultures.
- A rewarding career teaching English anywhere in the world.
- Boosting confidence and working on personal development.

Completing a TEFL course with your peers is a proven way to enjoy learning and make it fun! By enrolling as a school, no student will miss out on the amazing opportunities to follow. TEFL can also be put towards to the Gaisce Award program for learning a new skill.

**324 students joined the Elective program in 2020 with schools participating nationwide in counties such as Dublin, Mayo and Waterford.**

As a TY Coordinator, you will get a free course to successfully tutor your students as well as support from our TEFL experts.

## **TEFL for the Leaving Cert Applied Program**

Inspire your LCA students to travel the world and achieve life-enhancing experiences with a TEFL qualification. TEFL is the most convenient way to teach English anywhere in the world – not to mention gain incredible life experiences along the way.

- A practical and exciting way to accumulate credits towards LCA.
- Improve students' self-esteem and personal development.
- Fit TEFL around other studies and commitments with a 6 month completion deadline (average completion: 4-6 weeks).
- Gain a qualification that lasts a lifetime with the chance of an exciting and fulfilling career.
- Give your students the opportunity to travel abroad after completing the LCA program.

**More than 100,000 positions for English  
teachers abroad open each year.**

## Bonus TEFL Workshop

Once your students have completed their 120-hour TEFL training, we can deliver an exciting two-hour workshop. During the workshop, we'll cover all the TEFL essentials to make sure your students feel 100% confident with their new-found knowledge and skills.

They'll learn:

- How to create a relaxed classroom atmosphere before starting a lesson.
- Fun ice breakers they can use when they start teaching English.
- What they can do with their TEFL certification.
- Stories from the TEFL Institute of Ireland's team, including their background and how they ended up in TEFL.

**There are 1.5 billion English language learners worldwide and this is set grow.**

This workshop can be completed online or in-person, depending on government guidelines and border restrictions at that time.

## TEFL for Students

### Key Skills and Benefits

Our TEFL course supports the five key skills incorporated in the senior cycle curriculum. Skills like showing resilience in new situations, thinking creatively, and working well with others to help your students achieve their potential – in school and in the future.

Students will learn the following Key Skills:

- **Information Processing:** By accessing information from different sources, such as the internal course content, recommended reading, and the teacher.
- **Critical and Creative Thinking:** Thinking imaginatively through lesson planning as a teacher in training.
- **Communication:** The workshop is built interactively for the students, working on their interpersonal skills. A TEFL course will also cover methodologies of learning a language.

## TEFL for Students

- **Working with Others:** For some, this may be their first experience with online learning as we follow the methodologies of third level education. Students will discuss the course aspects through a forum and be in contact with our TEFL Tutors.
- **Being Personally Effective:** As a self study, online learning platform, students will have the chance to learn time management, becoming confident for future projects in study and work life.
